

ORDER FORM

For all orders please print out the ORDER FORM and Send it with your check or money order and your transparencies. Please submit individual Transparencies only, rather than rolls of film. All 35 mm film must be removed from the slide holder and will be returned in a plastic holder. This enables your film to be inserted into a film holder, which will curve slightly during the scanning process. Please do not submit film which has scratches. We recommend that you have scratched film drum scanned with gel.

Name _____

Shipping Address _____

Phone Number _____

Number of transparencies or Negatives enclosed _____

(Transparencies must be in separate enclosures to prevent scratching. We recommend clear plastic sheets that are made to fit in a binder or small film envelopes).

SPECIAL INSTRUCTIONS

Scan 8 Bits per Channel rather than 16 Bit? _____

Scan for Final print size rather than maximum file size? Please Specify. _____

Save in a format other than TIFF? Please Specify. _____

Comments _____

(Attach a separate sheet with additional specifications if you so desire.)

When specifying a file size based on a final print size, we will scan your image at 300 dpi output for the print size requested. If the format of the film does not fit the Print size you specify, one of the sides will be larger. Please submit questions by E-Mail.

Shipping \$5.00

Amount enclosed _____. We pay the tax and supply CD's.
